- 25 Rural Wireline Eagle DSCO Rural Switch Install (500L Switches)

Customer: Bourdex Telecom

Vendors: Harris Wireless, Eagle Telephonics

Project Scope:

- 3 microwave connected cities, all Eagle Tandem DSCO switches
- 3 cellular systems, interface with Eagle DSCO switches, traffic routed to Nitel

PSTN

- Eagle Central Billing / Customer Care
- Real Time Billing (pre-paid subscribers) (Eagle proprietary system)
- 3 Debit Card Platform systems (Eagle DSCO switch & Eagle debit card platform)

Customer: Allied Bond Telecom

Vendors: Eagle Telephonics

Project Scope:

- Eagle Tandem Switch (10 Carrier Interconnect)
- Eagle Central Billing / Customer Care
- Real Time Billing (pre-paid subscribers) (Eagle proprietary system)
- Carrier Billing System (Eagle proprietary system)
- Customer in progress to install 50,000 subscribers, all Eagle DSCO switches with ADSL2+

for data and IPTV.

Customer: Swift Networks (PSTN)

Vendors: Motorola, Eagle Telephonics

Project Scope: Domestic & International Gateway, that includes:

- WiMAX Interface with Media Gateway Switches (10,000 subs)
- 4 exchange operator interconnection switch (Eagle Tandem DSCO switch)
- 1 international satellite gateway switch (Eagle Tandem DSCO switch)
- Eagle Central Billing / Customer Care
- Real Time Billing (pre-paid subscribers) (Eagle proprietary system)
- 1 debit card platform (Eagle DSCO switch & Eagle debit card platform)
- 1 Real Time Carrier Billing system (Eagle proprietary system)

Congo, Africa:

Customer: OPT (National PSTN) Vendors: Titan Wireless, Eagle Telephonics

Project Scope: Domestic & International Gateway, that includes:

- 23 cellular operator interconnection switch (Eagle Tandem DSCO switch)
- 4 exchange operator interconnection switch (Eagle Tandem DSCO switch)
- 1 international satellite gateway switch (Eagle Tandem DSCO switch)
- 1 international satellite downlink (Paris)(Eagle Tandem DSCO switch)
- 1 debit card platform (Eagle DSCO switch & Eagle debit card platform)
- 1 Real Time Carrier Billing system (Eagle proprietary system)

Bangladesh, Asia:

Customer: National Telecom

Vendors: Eagle Telephonics

Project Scope:

- 33 domestic rural wireline central office switch installation (Eagle DSCO switches, microwave interconnected)
- Eagle Central Billing / Customer Care
- Real Time Billing (pre-paid subscribers) (Eagle proprietary system)
- Debit Card Platform

El Salvador, Central America:

Customer: GCA

Vendors: Eagle Telephonics

Project Scope:

- 6 city installation, 18 switches (Eagle DSCO)
- 3 cellular operator interconnections (Eagle Tandem DSCO switch)
- VOIP traffic interface (Eagle Tandem DSCO switch)
- Eagle Central Billing / Customer Care
- Real Time Billing (pre-paid subscribers) (Eagle proprietary system)
- 2 Debit Card Platform (Eagle DSCO switch & Eagle debit card platform)

Guatemala - Honduras, Central America:

Customer: Telenos

Vendors: L-3, Eagle Telephonics

Project Scope:

- 85 city installation, 85 switches (Eagle DSCO)

- Satellite HUB Interconnection (L-3 ISAT & Eagle DSCO switch)
- VOIP traffic interface (Eagle DSCO switch)
